Our Regional Groups

- Highways Direct Management Group (HDMG) representing 14 councils.
- North West Group representing 8 councils and DfT.
- North East Materials Group representing 14 councils.
- South East Group representing 10 councils.
- South Central Group representing 9 councils.
- South West Group representing 13 councils.

Research & Sector Insights

We draw our insights from:

- National Perspective e.g. Government
- Individual survey/query support from councils
- Our own surveys
 - Innovation Survey
 - Snap quizzes
 - Wider membership surveys
- Intelligence
- Horizon scanning for our members (including Councils)
- Involvement in policy support activities

LCRIG Innovation Survey

- Largest ever LCRIG Innovation survey
 - Over 50% Councils
 - Largest ever response from LCRIG Corporate Members
- Gave us concrete insights into barriers for:
 - Highways Authorities
 - Supply Chain members
- Innovation most likely to be adopted
- Innovation Threats (institutional v individual)
- Emerging Innovations councils most interested in
- Support needed to help councils
